

Sanchez, Jamaica Ann B.

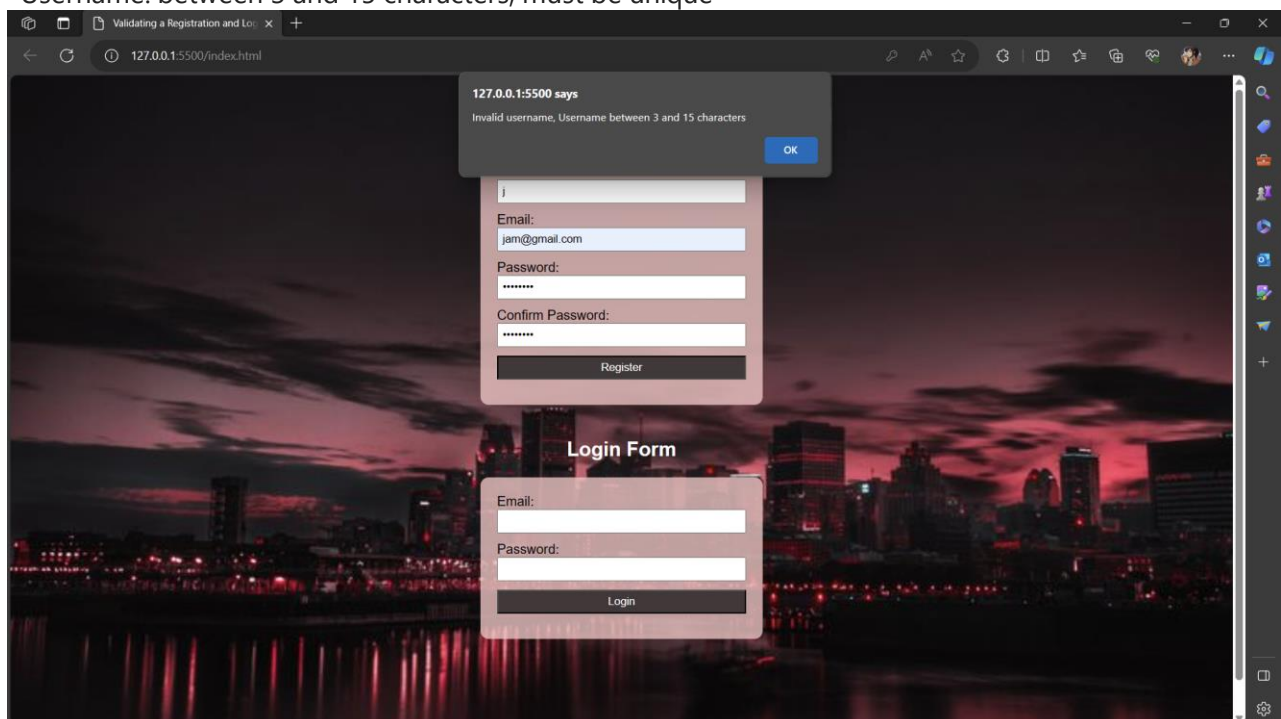

BSIT-3A

1. Registration validation rules:

The screenshot shows a web browser window with the address bar displaying "127.0.0.1:5500/index.html". The page features a "Registration Form" and a "Login Form" overlaid on a background image of a city skyline at night. The "Registration Form" includes fields for "Username:", "Email:", "Password:", and "Confirm Password:", followed by a "Register" button. The "Login Form" includes fields for "Email:" and "Password:", followed by a "Login" button.

Username: between 3 and 15 characters, must be unique

The screenshot shows the same web browser window, but with an error message displayed above the "Registration Form". The error message is a dark gray box with the text "127.0.0.1:5500 says" and "Invalid username, Username between 3 and 15 characters", followed by an "OK" button. The "Registration Form" fields are filled with "j" for Username, "jam@gmail.com" for Email, and "*****" for both Password and Confirm Password. The "Login Form" remains empty.

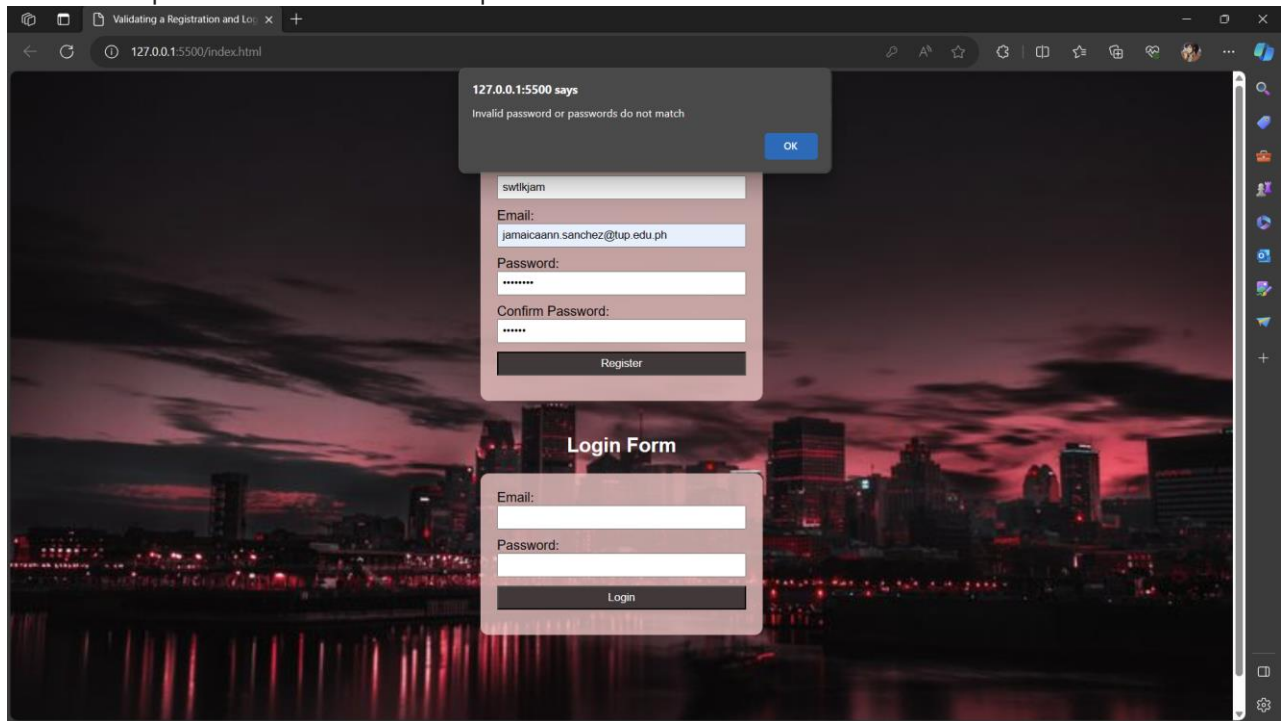

b. email: a valid email address, must be unique.

The screenshot shows a web browser window with the address bar displaying "127.0.0.1:5500/index.html". The page features a "Registration Form" and a "Login Form" against a background of a city skyline at night. The "Registration Form" has fields for "Username:" (containing "jam"), "Email:" (containing "jam"), and "Confirm Password:" (containing "*****"). A validation error message is displayed: "Please include an '@' in the email address. 'jam' is missing an '@'." Below the error message is a "Register" button. The "Login Form" has fields for "Email:" and "Password:", both empty, and a "Login" button.

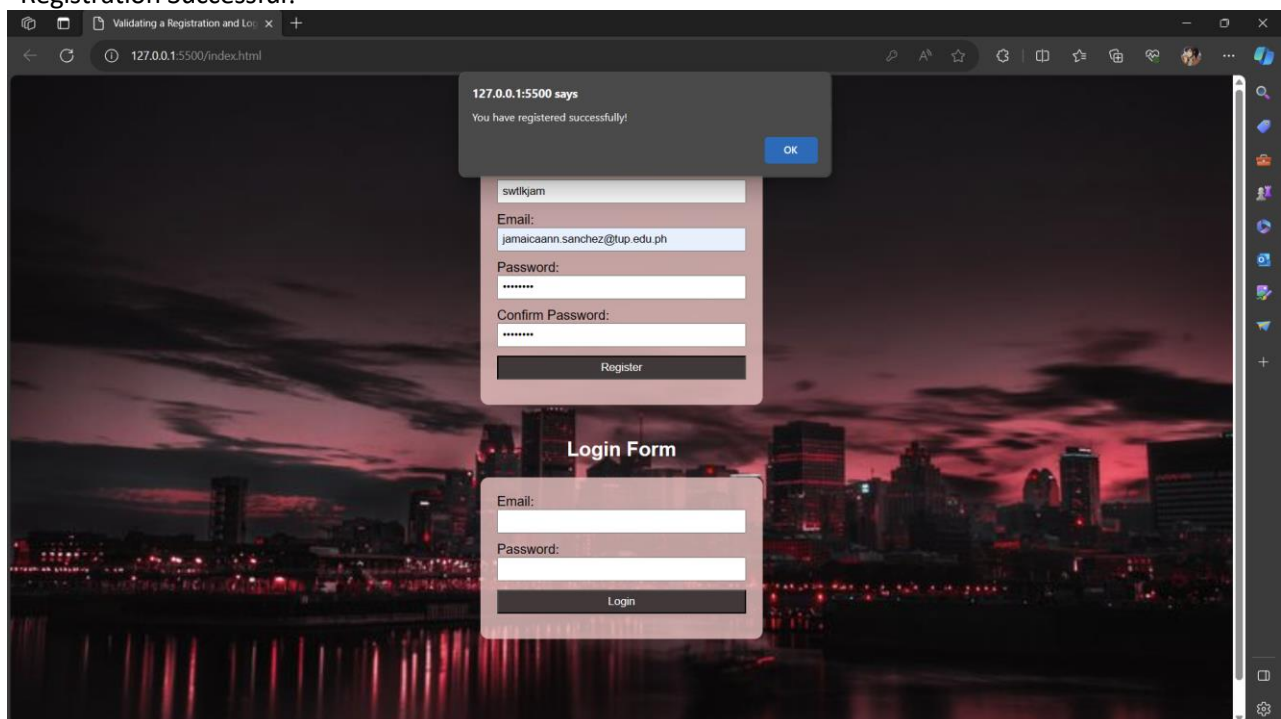

c. password: 8 and 20 characters long.

The screenshot shows a web browser window with the address bar displaying "127.0.0.1:5500/index.html". A modal dialog box is open, displaying the message "127.0.0.1:5500 says Invalid password or passwords do not match" with an "OK" button. Below the dialog, the "Registration Form" is visible. The "Username:" field contains "swtqjam", the "Email:" field contains "jamaicaann.sanchez@tup.edu.ph", the "Password:" field contains a single asterisk, and the "Confirm Password:" field contains "*****". A "Register" button is at the bottom of the form. The "Login Form" is also visible below the registration form, with empty "Email:" and "Password:" fields and a "Login" button.

d. confirm password: must match the password field.

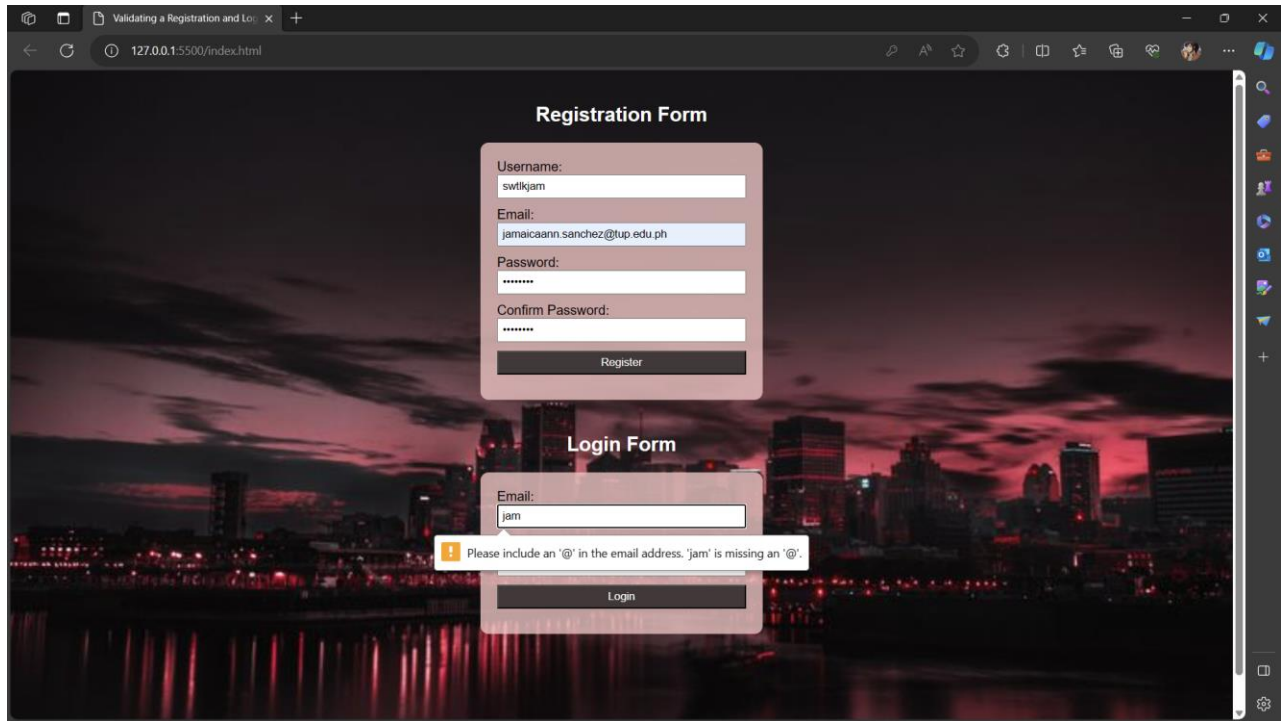

Registration Successful!

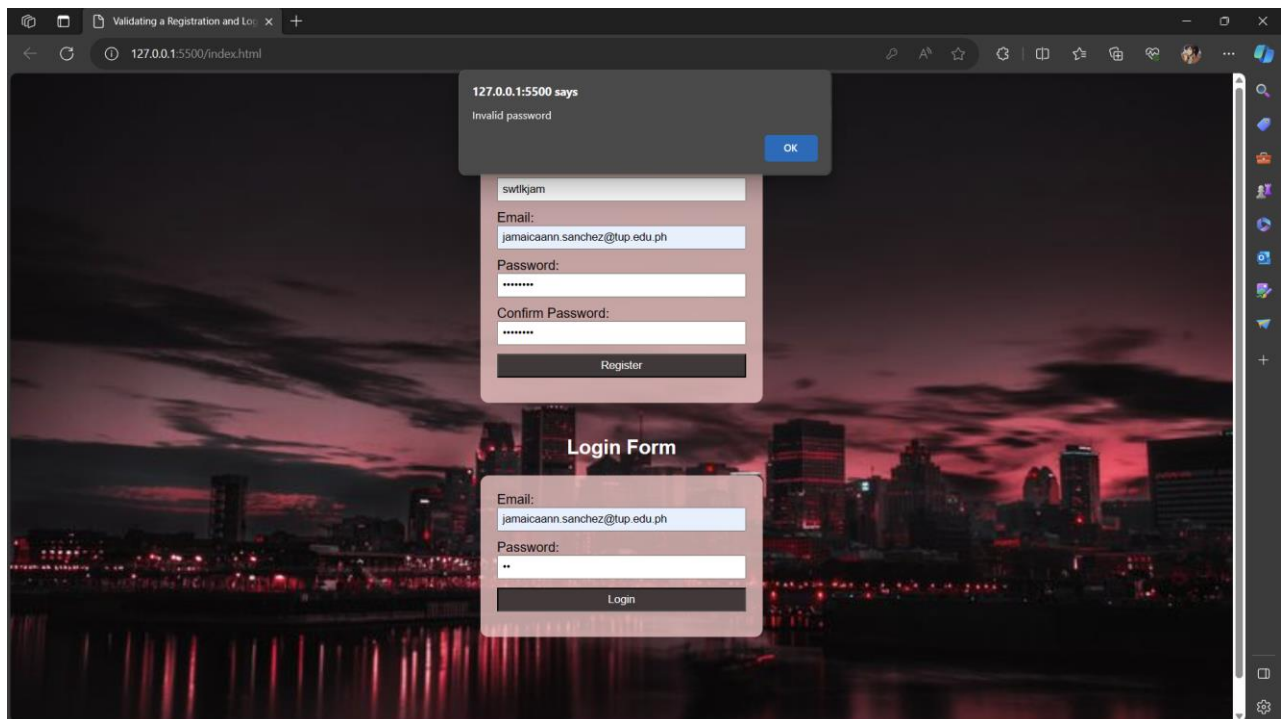

2. Login validation rules:

- a. email: a valid email address

The screenshot shows a web browser window with the address bar displaying "127.0.0.1:5500/index.html". The page features a dark background with a city skyline at night. Two forms are visible: a "Registration Form" and a "Login Form". The "Registration Form" has fields for "Username:" (containing "swtligam"), "Email:" (containing "jamaicaann.sanchez@tup.edu.ph"), "Password:" (containing "*****"), and "Confirm Password:" (containing "*****"). Below these fields is a "Register" button. The "Login Form" has an "Email:" field (containing "jam") and a "Login" button. An error message is displayed below the "Email:" field: "Please include an '@' in the email address. 'jam' is missing an '@'." The browser's developer tools are open on the right side of the window.

- b. password: between 8 and 20 characters and must be equal to the user's password.

The screenshot shows the same web browser window as before, but with the "Registration Form" and "Login Form" forms. The "Registration Form" has an error message displayed above it: "127.0.0.1:5500 says Invalid password". The "Login Form" has an "Email:" field (containing "jamaicaann.sanchez@tup.edu.ph") and a "Password:" field (containing "*****"). Below these fields is a "Login" button. The browser's developer tools are open on the right side of the window.

3. Login Submission Rules: After successful validation, alert "Welcome" [user's name].
